This feels like a very streamlined CRPG. The characters automate pretty well for a game of its age. The camera rotates easily and doesn't interfere with gameplay. The use of potions is brilliant. If the character doesn't need all of the potion, he/she will only drink what they need.

The areas are so large it may feel like the game is dragging from time to time.

Low-end gaming inspiring.. Most boring RPG I have ever played.

Dungeons are boring they go on forever, you wish you can get to the next town sooner.

The characters are boring, there is no unique personality to each party member which means they are merely characters that just fight enemies, BORING!

The leveling system is interesting in the beginning but it begins to show flaws later on because if your character is too high a level in something like range or melee, it will take forever to level up the other category like magic. Then it becomes a waste of time because that party member is not contributing DPS.

People say that this is as good as Diablo 2 if not better, don't make me laugh this game is plain awful!. Great good old game. stands the test of time for me.

i played through this game as a kid, bought it back on steam coz i wanted to try it again.

haven't played it much yet, but hey, its fairly cheap.

defo worth the money.. Steam ruined the game when ripped off co-op.. The game freezes just after the intro cinematic. I tried some online solutions but they didn't work. PC Windows 10 user here.. According to all known laws of aviation,

there is no way a bee  
should be able to fly.

Its wings are too small to get  
its fat little body off the ground.

The bee, of course, flies anyway

because bees don't care  
what humans think is impossible.

Yellow, black. Yellow, black.  
Yellow, black. Yellow, black.

---

Ooh, black and yellow!  
Let's shake it up a little.

Barry! Breakfast is ready!

Ooming!

Hang on a second.

Hello?

- Barry?  
- Adam?

- Can you believe this is happening?  
- I can't. I'll pick you up.

Looking sharp.

Use the stairs. Your father  
paid good money for those.

Sorry. I'm excited.

Here's the graduate.  
We're very proud of you, son.

A perfect report card, all B's.

Very proud.

Ma! I got a thing going here.

- You got lint on your fuzz.  
- Ow! That's me!

- Wave to us! We'll be in row 118,000.  
- Bye!

---

Barry, I told you,  
stop flying in the house!

- Hey, Adam.  
- Hey, Barry.

- Is that fuzz gel?  
- A little. Special day, graduation.

Never thought I'd make it.

Three days grade school,  
three days high school.

Those were awkward.

Three days college. I'm glad I took  
a day and hitchhiked around the hive.

You did come back different.

- Hi, Barry.  
- Artie, growing a mustache? Looks good.

- Hear about Frankie?  
- Yeah.

- You going to the funeral?  
- No, I'm not going.

Everybody knows,  
sting someone, you die.

Don't waste it on a squirrel.  
Such a hothead.

I guess he could have  
just gotten out of the way.

I love this incorporating  
an amusement park into our day.

---

That's why we don't need vacations.

Boy, quite a bit of pomp...  
under the circumstances.

- Well, Adam, today we are men.  
- We are!

- Bee-men.  
- Amen!

Hallelujah!

Students, faculty, distinguished bees,

please welcome Dean Buzzwell.

Welcome, New Hive City  
graduating class of...

...9:15.

That concludes our ceremonies.

And begins your career  
at Honex Industries!

Will we pick our job today?

I heard it's just orientation.

Heads up! Here we go.

Keep your hands and antennas  
inside the tram at all times.

- Wonder what it'll be like?  
- A little scary.

---

Welcome to Honex,  
a division of Honesco

and a part of the Hexagon Group.

This is it!

Wow.

Wow.

We know that you, as a bee,  
have worked your whole life

to get to the point where you  
can work for your whole life.

Honey begins when our valiant Pollen  
Jocks bring the nectar to the hive.

Our top-secret formula

is automatically color-corrected,  
scent-adjusted and bubble-contoured

into this soothing sweet syrup

with its distinctive  
golden glow you know as...

Honey!

- That girl was hot.  
- She's my cousin!

- She is?  
- Yes, we're all cousins.

- 
- Right. You're right.
  - At Honex, we constantly strive

to improve every aspect  
of bee existence.

These bees are stress-testing  
a new helmet technology.

- What do you think he makes?
- Not enough.

Here we have our latest advancement,  
the Krelman.

- What does that do?
- Oatches that little strand of honey

that hangs after you pour it.  
Saves us millions.

Oan anyone work on the Krelman?

Of course. Most bee jobs are  
small ones. But bees know

that every small job,  
if it's done well, means a lot.

But choose carefully

because you'll stay in the job  
you pick for the rest of your life.

The same job the rest of your life?  
I didn't know that.

What's the difference?

You'll be happy to know that bees,  
as a species, haven't had one day off

---

in 27 million years.

So you'll just work us to death?

We'll sure try.

Wow! That blew my mind!

"What's the difference?"  
How can you say that?

One job forever?  
That's an insane choice to have to make.

I'm relieved. Now we only have  
to make one decision in life.

But, Adam, how could they  
never have told us that?

Why would you question anything?  
We're bees.

We're the most perfectly  
functioning society on Earth.

You ever think maybe things  
work a little too well here?

Like what? Give me one example.

I don't know. But you know  
what I'm talking about.

Please clear the gate.  
Royal Nectar Force on approach.

Wait a second. Oheck it out.

---

- Hey, those are Pollen Jocks!  
- Wow.

I've never seen them this close.

They know what it's like  
outside the hive.

Yeah, but some don't come back.

- Hey, Jocks!  
- Hi, Jocks!

You guys did great!

You're monsters!  
You're sky freaks! I love it! I love it!

- I wonder where they were.  
- I don't know.

Their day's not planned.

Outside the hive, flying who knows  
where, doing who knows what.

You can't just decide to be a Pollen  
Jock. You have to be bred for that.

Right.

Look. That's more pollen  
than you and I will see in a lifetime.

It's just a status symbol.  
Bees make too much of it.

Perhaps. Unless you're wearing it  
and the ladies see you wearing it.

---

Those ladies?  
Aren't they our cousins too?

Distant. Distant.

Look at these two.

- Oouple of Hive Harrys.  
- Let's have fun with them.

It must be dangerous  
being a Pollen Jock.

Yeah. Once a bear pinned me  
against a mushroom!

He had a paw on my throat,  
and with the other, he was slapping me!

- Oh, my!  
- I never thought I'd knock him out.

What were you doing during this?

Trying to alert the authorities.

I can autograph that.

A little gusty out there today,  
wasn't it, comrades?

Yeah. Gusty.

We're hitting a sunflower patch  
six miles from here tomorrow.

- Six miles, huh?  
- Barry!

---

A puddle jump for us,  
but maybe you're not up for it.

- Maybe I am.  
- You are not!

We're going 0900 at J-Gate.

What do you think, buzzy-boy?  
Are you bee enough?

I might be. It all depends  
on what 0900 means.

Hey, Honex!

Dad, you surprised me.

You decide what you're interested in?

- Well, there's a lot of choices.  
- But you only get one.

Do you ever get bored  
doing the same job every day?

Son, let me tell you about stirring.

You grab that stick, and you just  
move it around, and you stir it around.

You get yourself into a rhythm.  
It's a beautiful thing.

You know, Dad,  
the more I think about it,

maybe the honey field  
just isn't right for me.

---

You were thinking of what,  
making balloon animals?

That's a bad job  
for a guy with a stinger.

Janet, your son's not sure  
he wants to go into honey!

- Barry, you are so funny sometimes.  
- I'm not trying to be funny.

You're not funny! You're going  
into honey. Our son, the stirrer!

- You're gonna be a stirrer?  
- No one's listening to me!

Wait till you see the sticks I have.

I could say anything right now.  
I'm gonna get an ant tattoo!

Let's open some honey and celebrate!

Maybe I'll pierce my thorax.  
Shave my antennae.

Shack up with a grasshopper. Get  
a gold tooth and call everybody "dawg"!

I'm so proud.

- We're starting work today!  
- Today's the day.

Oome on! All the good jobs  
will be gone.

Yeah, right.

---

Pollen counting, stunt bee, pouring,  
stirrer, front desk, hair removal...

- Is it still available?
- Hang on. Two left!

One of them's yours! Oongratulations!  
Step to the side.

- What'd you get?
- Picking crud out. Stellar!

Wow!

Couple of newbies?

Yes, sir! Our first day! We are ready!

Make your choice.

- You want to go first?
- No, you go.

Oh, my. What's available?

Restroom attendant's open,  
not for the reason you think.

- Any chance of getting the Krelman?
- Sure, you're on.

I'm sorry, the Krelman just closed out.

Wax monkey's always open.

The Krelman opened up again.

What happened?

---

A bee died. Makes an opening. See?  
He's dead. Another dead one.

Deady. Deadified. Two more dead.

Dead from the neck up.  
Dead from the neck down. That's life!

Oh, this is so hard!

Heating, cooling
